Super Spacer® Technology

Super Spacer Technology is standard in all of our windows and doors. It has a long list of advantages over all other glass spacer systems.

It is a true warm edge using high performance acrylic adhesives and flexible foam that retain argon gas like no other spacer on the market.

Features & Benefits

- > Welded Frame and Sash Enhances Structural Integrity and Increases Durability
- > Frame can be Mechanically Assembled for Tight Fitting Situations Where Knocked Down Application is Necessary
- > Full Perimeter, Heavy-Duty, Weatherstripping and a Deep-Pocket Integral Interlock Enhances Energy Efficiency
- > Concealed, Tandem, Face Adjustable Steel Rollers Provide Smooth, Effortless Operation
- > Frame Allows for Left or Right-Hand Door Operation
- > New Construction and Replacement Configurations Available
- > Exclusive Weather-Barrier Sill for Protection From Wind and Water

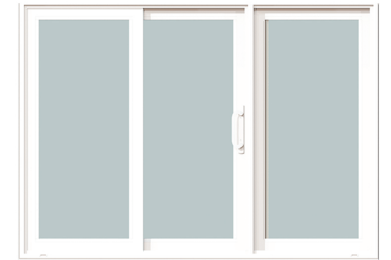

- > Heavy Duty Screen Standard
- > Available in Two, Three, and Four Panels
- > Blinds Available Between Glass Panes

PREMIUM MATERIALS
ENDLESS POSSIBILITIES

Glass Options

Double or triple pane, low-E glass options and gas fill will directly affect the efficiency of your new windows.

We offer options to fit any location and budget. Our eK2 and eK366 glass options, along with argon or krypton gas fills, are options you will want to discuss with your window representative.

Custom Exterior Colors

Featuring standard exterior colors of white, beige, cocoa brown, and clay, and optional color choices including ten standard colors in a semi-gloss finish. We can also custom mix a color to your specifications when a color sample is provided. For a more exact match, refer to actual vinyl and color chip samples.

Our industry leading UV resistant finishes come with a ten year warranty.

Standard Color Options

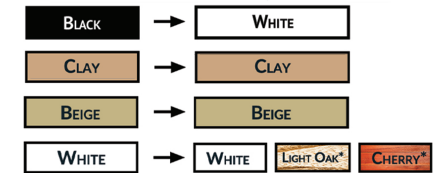

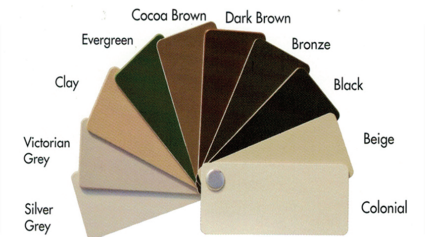

Standard interior window colors are white, beige, and clay. Optional wood grain finishes are light oak, and cherry. Wood grain is available with all standard and custom colors which may require extended lead times. Black exterior with a white interior is also available.

Colors are only representative of the actual vinyl colors and painted colors. For a more exact match, refer to the vinyl and color chip samples.

Hardware Options

Including the finest powder coated or metallic hardware finishes in the industry, doors in our standard vinyl color come with our standard hardware colors. Cherry comes standard with cocoa brown inside and white outside.

Custom painted doors come standard with bright brass.

*MAY REQUIRE EXTENDED LEAD TIMES
